

# Christmas Special POPLEY MATTERS

December 1997 - January 1998

Volume 2, Issue 5

## The Popley Forum

The committee of the Popley Forum wishes each and every resident a Merry Christmas and a Happy New Year. It promises to be a fully packed year for the Popley Forum and the team who produce the Popley Matters.

Firstly the Forum, we are hoping to hold public meetings on a quarterly basis with some interesting speakers starting on February the 12<sup>th</sup>. We have invited an old friend to the Forum in Banche Miles, who is in charge of litter and the removal of refuse. She will talk on how we can help with recycling (I for one am not too sure on what I can recycle).

We hope at least one of our local beat Bobbies will come to talk about what he does and what he is responsible for. We have also invited a speaker on crime prevention.

A representative of Telecental, now Comtel, has also accepted our invitation, that should prove an interesting debate.

As for Popley Matters it is going from strength to strength and now in conjunction with the Forum committee we have been able to intercede on some residents behalf and get some problems and repairs dealt with.

We are planning to go even bigger and go to a booklet form in the spring of next year. We will then be able to get much more information to you. The cost of Popley Matters is met by our advertisers, so if you know of anyone who would be interested in advertising with us, we will be happy to talk to them, so ring our Liaison Officer Kate Lomas on 412016.

Lastly, but by no means least, the most important factor is you the residents, if you have any comments, problems, ideas, clubs, groups or community activity that occurs in the Popley area let us know call the Melrose Community Hall or myself the editor Jane Frankum on 819924.

## Rubbish

After a phone call from a resident of Popley Islands, Iris King (Chairperson) and myself Jane Frankum (Editor) went to look at an abandoned van and car in Faeroe Close, there we also saw a three piece suite, household rubbish and bricks in the area. We phoned Blanche Miles (Litter Warden) who has arranged for the items of rubbish to be removed. The police have been informed about the two vehicles.

If you do want to write or phone we will respect your wish not to have your name published, however we need to be able to get in touch, so would have to have a contact number or address.

### Popley District Guide Association

Are you between the ages of 5 and 65 female and want to have some FUN?

Have you thought about joining the Guide Association. Popley currently has 2 Rainbow units for Girls between the ages of 5 - 7, 3 Brownie packs for the 7 - 10 year olds and a Guide company for girls of 10 plus. If you are 16 plus and would like to have FUN have you thought of becoming a leader? Each unit gives the girls opportunities to learn new skills try new activities, make new friends and most of all have FUN.

This year so far the Rainbows have celebrated their tenth anniversary and have held a huge Birthday party to the theme of Noah's Ark. The Brownies have been on Pack Holiday, passed their Deaf Awareness badge and tried their hands at new crafts. Not to be left out the Guides have been on two camps, canoed with the Brownies, cooked out on open fires and started their survival badge.

As Christmas is nearly upon us the whole District are now preparing for our annual Christmas Carol service to the residents of Abbey Court.

If you would like more information on What we do, Where we meet please contact Tess Puddle District Commissioner on 351777.
